We would therefore like to request all country leaders to encourage as many Chinese and other devotees to make use of the Chinese New Year holidays period in February 2013 to make a pilgrimage to Bhagawan's Mahasamadhi to experience and to benefit from the great spiritual vibrations there. And more importantly to express our thanks and gratitude to Swami for His Teachings, His immense grace and blessings!

The tentative programme of the two day celebration includes Tibetan Buddhist Chanting, a musical presentation as well as drama.

All devotees are advised to book their own flight tickets early and to meet in Prashanti Nilayam.

We would also like to request all participants in countries under Zone 4 to register with us through their respective Council or Coordinating Committee, by completing the attached form so that we can reserve their accomodation in Prashanti Nilayam.
