Report on the Public Meetings in Chile Cities of Santiago and La Serena

On Saturday October 23rd, a public meeting took place, with the subject of "Sri Sathya Sai Baba. His Work and humanitarian message. An inspiration to Mankind"

The same meeting was held the day after, on Sunday 24th, in the city of La Serena, situated 450 Km to the North of Santiago.

The Conventions Center "Diego Portales" was the place where the meeting in Santiago was held. It is situated astride the most circulated Avenue of the City: Avenida Bernardo O'Higgins 223.

In La Serena, the Theater belonging to the "Diego Cordovez School" was the place selected, with a capacity of almost 500 people.

In Santiago there was an assistance of 900 people, exceeding by a large margin the expectations that we had. Close to 80% of the people had not previously known of Sai Baba. They came to know about the work and message of the Avatar.

In the Colonial city of La Serena, the assistance was of around 300 people.

The main speakers were Mr. Leonardo Gutter, Member of the Prashanti Council and Mr. Dalton Amorim, Central coordinator of Zone 28 of the Organization.

In both cases, the film "His Work" was exhibited.

Together with the mainstream activities, there was an exhibition of photos in panels, depicting the Work of the Avatar. Authorized books, tapes and records were sold.

The Sri Sathya Sai Organization of Chile exists since 1983 and the SSS Foundation was registered in 1994. During year 2003 the SSS Institute of Human Values Education and its corresponding School (The first in Chile) were opened in the city of La Serena.

The Organization has a presence in the cities of Santiago, Viña Del Mar and La Serena.
