October 12, 2004

Dear Friends,

The Sathya Sai Baba Organization of the US invites you to an uplifting public meeting on the life and accomplishments of an extraordinary man, Sri Sathya Sai Baba at the

Copley International Conference Center on UCSD campus
Saturday, October 30, 2004 from 3:00pm to 5:00pm

During this public meeting, two outstanding members of the governing body of Sai Baba's world organization will speak about the humanitarian works and the message of love and selfless service of Sathya Sai Baba. In addition, there will be an uplifting film that documents the impressive and large-scale service programs inspired by Sathya Sai Baba. This film illustrates how enormous social problems can be solved when people earnestly practice the elevating human values he teaches. The free world-class hospitals, schools, water projects, and food programs seen in the film are glowing examples of how people can be inspired to reach beyond caste, creed, and traditions to offer far reaching and substantial service in any community.

Sai Baba is a guiding force to millions throughout the world including past Prime Ministers and Presidents of India. His teachings of love through selfless service have inspired thousands of free service and educational projects globally. These range from free schools in about 30 countries to free hospitals providing the most advanced care available in the world. They also include a number of projects done locally in the San Diego area such as feeding and clothing the poor and homeless, visiting the elderly, and helping homeless teens.

Sai Baba does not teach a particular religion or creed but instead embraces all religions and traditions. His followers include those from all walks of life, from all of the world's religions, and from every country, and in the U.S., there are 200 Sai Baba centers. He teaches that the efforts of one individual anywhere, when done selflessly can make a profound difference.

We respectfully invite you and your guests to join us for this informative meeting. For driving directions and additional information, please see www.saiconference.org or contact me at sdpublicmeeting@yahoo.com or phone (619)-224-7586.

Sincerely,

Samuel Sandweiss M.D.
