
HIS WORK

Sri Sathya Sai Baba uplifts the institutions of mankind through his unique and noble works. The sheer range and scale of the humanitarian projects initiated and inspired by him is unprecedented in modern history. What follows are glimpses of his Love in Action...

Education Sathya Sai Baba has established a model education system, which includes primary and secondary schools and an accredited university, offering undergraduate, graduate, and doctoral degrees, with no fees to the students. It has been hailed as a 'crest jewel of the Indian education system' by leading educators. In addition to academic excellence, Baba's system of integral education is designed to foster character and self-discipline, for as he often asserts, "The end of education is character."

Healthcare Sathya Sai Baba has established four hospitals, two of which provide advanced tertiary care. The hospitals are equipped with state-of-the-art technologies in cardiology and cardiothoracic surgery, neurology and neurosurgery, nephrology and urosurgery, and ophthalmology. To date, thousands of surgeries have been performed absolutely free.

Drinking Water Starting from the mid-nineties, Sathya Sai Baba has executed massive drinking water projects, bringing much-needed relief to millions of villagers. For these long-suffering people a century-old dream has come true – safe drinking water, available free and throughout the year, right at their doorstep.

Rural Outreach Every year, the students and staff of Baba's University fan out into neighboring villages and spend nearly two weeks distributing food and clothes, house to house, bringing comfort and love. This has inspired similar long-term projects throughout rural India and increasingly in other parts of the world.

HIS LIFE AND HIS MESSAGE

Sri Sathya Sai Baba is a highly revered spiritual leader and world teacher, whose life and message are inspiring millions of people throughout the world to turn God-ward and to lead constructive and virtuous lives. His timeless and universal teachings, along with the example of his own life, are attracting seekers of Truth from all religions of the world. He was born as Sathya Narayana Raju in 1926 in Puttaparthi, then a remote hamlet in South India. As a child he was brilliant in his studies, but what made him unique was his extraordinary wisdom and compassion. At the age of fourteen, he declared that he would henceforth be known as Sai Baba and that his mission was to bring about the spiritual regeneration of humanity by inculcating love for God and service to all beings. For over seven decades, his life has been a stirring and moving saga of love and compassion. Today, Prasanthi Nilayam – his ashram (spiritual oasis) in South India – attracts thousands of spiritual seekers from virtually every corner of the globe. This 'abode of the highest peace' offers solace and inspiration to all who aspire for Peace.

Sri Sathya Sai Baba uplifts man by teaching and demonstrating that man is inherently divine and his nature is selfless love. Quoting the scriptures of various faiths, Baba often reminds us that Love is God and God is Love and that Love is immanent in the heart of every being. Through his own example, Baba demonstrates how to tap that unfailing Source. He re-emphasizes principles that form the foundations of the world's major religions: Truth, Right Conduct, Peace, Love, and Nonviolence. He repeatedly exhorts mankind to "Love All, Serve All" and asserts that the essence of all scriptures is "Help Ever, Hurt Never!"
