

Information Technology
Sathya Sai International Organisation

Purpose

- ❧ **Build a platform for the Sathya Sai International Organisation to disseminate Bhagawan's life, message and work**
- ❧ Provide access to a single authentic reference source for all of Bhagawan's teachings and works in multimedia format
- ❧ Provide a central reference source for organisational structure, function and guidelines

Purpose

- ❧ Ready reference for location of Sai Centers and groups in countries around the world
- ❧ Provide reports of activities undertaken by the Sathya Sai International Organisation
 - ❧ Sathya Sai global Health Mission
 - ❧ Sathya Sai schools and educational institutes
 - ❧ Sathya Sai Education in Human Values
 - ❧ Major community service projects
 - ❧ Disaster relief

Purpose

- ❧ Provide a calendar of major events in Prasanthi Nilayam and around the world
- ❧ Provide a channel for official announcements and communications
- ❧ Major achievements, recognition and awards
- ❧ Tools for sharing proceedings of conferences and meetings through audio-visual materials
- ❧ Current and up-to-date information
- ❧ Efficient search engine
