

Sai Shows The Way

Sathya Dharmamu Shanthi Premalatho
Nee Nithya Jeevana Yatra Saginchu (Jeeva...)
O Jeeva (embodied soul)! Carry on your daily life's pilgrimage with Sathya (Truth), Dharma (Rigteousness), Shanti (Peace) & Prema (Love) as your companions/guides

Yatna Prayatnamul Maanava Dharmamu
Jayapajayamulu Daivaadheenamu (Sathya...)
Man's duty is to put forth effort after effort; Success or failure depends on God's will.

Bhakthitoda Bhagavantuni Dalachuchu
Nityadharmamulu Nirvarthinchina
Atti Janakunaku Rajayogamuna
Andaraani Mokshambu Pondane (Sathya...)
Janaka, the Raja Yogi, attained the (almost) unattainable Moksha (Liberation) by carrying out his daily duties, duly contemplating on God with devotion.

Hridaya Bhoomulu Saagucheyandi
Mee Manasu Madakaga Gunamule Yeddul
Vivekamanu Chalakolamu Teesi
Vishaalamagu Mee Hrudayamu Dunnudu (Sathya...)
Cultivate the lands of your hearts; with your mind as the plough, good qualities as the bullocks, discrimination as the whip, plough the extensive lands of your hearts.

Maanavaddhairame Manchi Yeruvuga
Premadharale Pantavittuluga
Bhakthe Varshamu Bhaavame Kalupulu
Brahmaanandame Pandedi Panta (Sathya...)
Manly courage is the good manure; the streams of love are the seeds to be sown; devotion is the rain; remove the weeds of unwanted ideas/emotions; and reap the rich harvest of Brahmananda (Divine Bliss).

Prakruti Dharmamu Pattu Vidakandi
Karmayogame Janma Dharmambu
Smarane Maanava Janmarahasyamu
Saadhane Bhakthula Saarakshanamu (Sathya...)

Don't lose hold of Prakriti Dharma (natural duty); Karma yoga sanctifies your life. The secret of human birth is Smarana (Continuous Contemplation of God). Sadhana is the hallmark of devotees.

Kashtasukhamulu Karmalanakandi
Mana Ishtalopame Kashtamaunandi
Pattuvudaka Aa Paadamu Kolichina
Gattujerchuta Tana Paniyenu (Sathya...)
Don't say that pains and pleasures are our Karma (fate); Only the lack of will and effort on our part results in our suffering. If you worship His lotus Feet with dedication/determination, it will be His look-out to take us to the other shore of the river of Samsaara.

Yedanu Vidadu Yedabaayaledu
Mimmeluchuntu Ye Velanu Sai
Karunaye Athadu Athade Karunani
Karunakai Kaachi Pondandee (Sathya...)
Sai will not leave from your heart; He will never desert you; He will take care of you at all times. Sai is Compassion; Compassion itself is Sai. Seek and wait for His compassion.

Ashtasiddula Saadhanendulaku
Adi Vatti Brahmaltho Kattiveyunuga
Dattamaina Ee Jeevitaatavilo
Vatti Naamame Pattapagalau (Sathya...)
Why do you hanker after Ashta Siddhis (the power of eight-fold miracles)? – It only binds you with illusory ambitions. In the dense jungle of this life, only God's name is the bright day light.

Modati Pattunu Vidavabokandi
Aadipattulone Bhakthi Pattandi
Yenni Bhadhala Pondina Bhagavat
Chintana Maatramu Vidakandi (Sathya...)
Don't give up your first hold. Hold on fast to your initial attitude of devotion. Don't give up the thought of God, even though you are afflicted by ever so many difficulties or sufferings.
