- It is important that every member of the SSIO be an example of trust and calm inside the society or community.
- We ask to not distribute information of not trustable sources.
- We kindly ask to follow the line communications of SSIO in order to communicate official information to come from SSIO.
- Be aware of the procedures recommended by the Healthy authorities in order to travel and deal with other people.
- As a precautionary measure we ask to collocate posters with health information about the COVID19 on the white boards od Sathya Sai Centers and posters for all the children and in the SSSE classroom.
- The activities at the Sathya Sai Center still as normal while there is no other indication from the Central Council.

Every single area will support the next actions:

#### **Devotion**

- Keep chanting the Mantra Gayatri, and we kindly ask to chant all day during your daily activities; or organize specific schedules with the members in order to chant in unity.
- Pray, repeat the Name of God and eat vibuthi, listen to Sri Rudram, an increase all that practical spirituality that every devotee considers to acquire confidence and calm.

## Sathya Sai International Organisation Zone 2A México Centroamérica El Caribe

### Spiritual Education:

- Establish a precautionary protocol on the management and availability of equipment for coronavirus-free schools.
- Encourage the teachers of SSSE to chant the Mantra Gayatri and increase the practical spirituality.
- Encourage the children to have faith in the strength of Gayatri Mantra for their own protection.

### Service:

- Know, promote and implement the healthy measures recommended for the healthy authorities, and do not expose to devotees that are regularly doing service in public places.

### Young Adults:

- Support the activities that are implementing all the areas.

### Media Team:

- Support and diffuse the information trustable and authorized by the SSIO.
