Deel 2

STUDI GIDS

96^{STE} GEBOORTEDAG VAN

Bhagawan Sri Sathya Sai Baba

Foreword

Met de zegeningen van Bhagawan Sri Sathya Sai Baba, zijn we verheugd om ter gelegenheid van Bhagawans 96e verjaardag een studiegids uit te brengen met de titel 'Negen Edelstenen: Deel 2' - een compilatie van negen brieven geschreven door onze allerliefste Swami aan Zijn toegewijden. Zijn zoete woorden van liefde en bemoediging helpen ons vooruitgang te boeken op ons spirituele pad en een ideaal leven te leiden op basis van Zijn leringen.

We hebben audiolinks voor deze mooie inspiratiebrieven opgenomen voor uw studie en reflectie, en ook een enquête op [dit adres](#).

Dank U,

Met Liefde

Laat God door je heen werken

Tot Hislop

- I. De beste methode om de Vedanta-filosofie te verspreiden, is ernaar te leven; er is geen andere koninklijke weg.
- II. Laat God door je heen werken en er zal geen plicht meer zijn. Laat God schijnen, laat God zichzelf tonen. Leef God. Eet God. Drink God, adem God. Realiseer de waarheid en de andere dingen zullen voor zichzelf zorgen.
- III. Ware liefde breidt het zelf uit, gehechtheid trekt het samen.
- IV. De hemel is in jou. Zoek geluk niet in het object van zintuigen, besef dat geluk in jezelf zit.
- V. Er is geen roos zonder een doorn. Ongemengd geluk is niet te vinden in deze materiële wereld, al het geluk is in het Superiore Zelf.
- VI. Zowel in de laagste worm als in de hoogste mens is dezelfde goddelijke natuur aanwezig. De worm is de lagere vorm waarin de goddelijkheid meer wordt overschaduwd door maya. Dat is de hoogste vorm waarin het het minst is overschaduwd. Achter alles bestaat dezelfde goddelijkheid en daaruit komt de basis van moraliteit voort.

- I The best method of spreading vedanta Philosophy is to live it; There is no other royal Road,
- II Let God work through you, and there will be no more duty. Let God shine forth, Let God show himself, live God. Eat God. Drink God, breathe God, realize the truth and the other things will take ^{CARE OF} ~~themself~~ selves
- III True Love expands the self, attachment contracts it.
- IV Heaven is within you. seek happiness ^{not} of in the ^{OBJECT OF} senses, realize that happiness is within your self,
- V There is no rose without a thorn unmixed happiness is not to be found in this material world, all happiness ~~is~~ is in self Supreme.

VI in the lowest worm as well as in the highest human being the same divine nature is present. The worm is the lower form in which the divinity has been more over shadowed by maya.

That is the highest form in which it has been least over shadowed behind every thing the same divinity is existing and out of this comes the basis of monality.

Kamp "Brindavan"

Mijn beste Rajagopal! Accepteer mijn liefde en zegeningen.

Verander naar eigen inzicht alle struikelblokken van de wereld in stapstenen naar realisatie.

De energie die we verspillen aan het beoordelen van anderen is precies wat we nodig hebben om onze eigen idealen waar te maken.

Besef uw GOD-heid. Gooi het kleine zelf in de totale vergetelheid, alsof het nooit heeft bestaan. Wanneer de kleine zeepbel barst, bevindt hij zich in de hele oceaan. Jij bent het Geheel, het Oneindige, het Al.

Beste Radja! Uit lang karnen (van) deze melk van de wereld komt boter en deze boter is GOD. Mensen met een hart krijgen de boter, en de karnemelk wordt overgelaten voor de intellectuelen.

Richten op een leeuw en hem missen, in plaats van op een jakhals te jagen en hem te vangen.

Laat GOD door je heen werken, en er zal geen plicht meer zijn. Laat GOD schijnen. Laat GOD Zichzelf laten zien. Realiseer de Waarheid en de andere dingen zullen voor zichzelf zorgen.

Radja! Maak je geen zorgen, wees blij. Swamiji is altijd bij je, in je. Jyoti is een heel braaf meisje, maak haar blij en geef Santosh.

Met liefde

My Dear Rajagopal! Accept my Love and Blessings

By your discretion convert All stumbling blocks of the world into stepping stones to realisation.

The energy we waste in judging others is just what is need to make us live up to our own ideals.

Amert your GOD-head. Fling into utter oblivion the little self, as if it had never existed. when the little bubble bursts, it finds itself the whole ocean. you are the whole, the Infinite, the All.

Dear Raju! out of long churning this milk of the world comes butter and this butter is GOD. Men of heart get the better, and the better-milk is left for the intellectual.

Aim at a lion and miss it; rather than hunt a jackal and catch it.

Let GOD work through you, and there will be no more duty. Let GOD shine forth. Let GOD show Himself. Realise the Truth and the other things will take care of themselves.

~~Raj~~ Raju! don't worry, Be happy Sevayyi is always with you. in you jyoti is very good girl make happy and give Santosh.

**Q1** “They are all going to the same goal. All are in the same stream”. If our enemies and all those who hurt us are also flowing in the same stream and going to the same goal then why is it that we find it a challenge to easily forgive those who cause hurt to us?

**Q2** “The moments of realization are those when all thoughts of worldly relations, worldly connections, worldly ties, worldly property, worldly desires, worldly needs, are all melted into GOD, into Truth” – This appears to be an important insight in understanding the idea of ‘realization’.

- i. What does this statement mean?
- ii. “All melted into God, into Truth” – What does this mean and how can we live our lives fulfilling this ideal?

My dear Hislop! I am very happy  
I received your lovely letter yesterday, now how  
is your health? don't worry about that, your lovely  
GOD is always with you, in you, around you.

Hislop! from some days your sister-in-law is with  
me (at Brindavan) she is very happy daily doing  
Bhajan and Dhyanaam jani also with her.

My dear! all are our fellow passengers, our travellers—  
all life, plants, animals, not only my ~~brother~~  
but our brother brute, our brother plant, not only our  
brother the good, but our brother the evil, our brother  
the spiritual and our brother the wicked. They are  
all going to the same ~~god~~ goal. all are in the same  
stream, each is hurrying towards that infinite freedom.

Hislop! The moments of realisation are those when  
all thoughts of worldly relations, worldly connec-  
tions, worldly ties, worldly property, worldly desires,  
worldly needs, are all melted into GOD, into truth.

My dear one! every being that is in the universe has  
the potentiality of transcending the senses. even the  
little worm will one day transcend the senses and  
reach GOD. No life will be a failure.

There is no such thing as failure in the universe. a hundred times man will hurt himself, a thousand times he will tumble, but in the end he will realize that he is God.

my Boy! you and I are both outlets of the same Cannel and that is God. as such your nature is God and so is mine. you are of the nature of God by your birth right, the pure heart is the best mirror for the reflection of truth so all these disciplines are for the purification of the heart and as soon as it is pure all the truths flash upon it in a minute all truth in the universe will manifest in your heart. if you are sufficiently pure.

Hislop! the harder the circumstances, the more trying the environments the stronger are the men who come out of those circumstances. we welcome all these outside troubles and anxieties.

when the bubble bursts, it finds itself the whole ocean you are the whole, the infinite, the all. out of long churning this milk of the world comes butter and this butter is . . . . . God. men of heart get the butter, and the better-milk is left for the intellectual.

Raja! Accept my Love and Blessings.

I lit the lamp of Love inside of you. I lit the fire within you, to feed the rage of lust, of greed, of anger, bound by strings of attachment. I whispered to you the secret of fighting your inner foes, living a life of love, chanting GOD name, embedding my picture in your heart, permeating body and soul with love, the Divine Love that you had known not me filled you with the glory of thy majesty. Taught your breath to hum so (sohum) that you could see beyond the evil. Oh ... Lord.

The Secret of Perfect Health

24.7.71

My dear Hislop! I received your letter. I am very happy. How is your health? and practice Hislop! The secret of perfect health lies in keeping the mind always cheerful, never worried, never hurried, never borne down by any fear, thought or anxiety.

Have all your attachments reversed from every object and concentrate yourself on one thing, the one fact, one truth, your divinity, immediately on the spot you gain realisation.

Nothing is done in a day. Religion can not be swallowed in the form of a pill. It requires hard and constant practice. The mind can be conquered only by slow and steady practice.

Hislop! Moderation in temper is virtue. Moderation in principle is a vice. Impurity is a mere superimposition under which the real nature of man has been hidden.

My dear! You are the embodiment of God. Fill yourselves with the thought of your almightiness, your majesty and your glory. Open the gates of wisdom. Enter the abode (of) bliss. Rest in peace forever.

Hislop. How is your Mrs? Give my Blessings to her and all family. I am always in you, with you.

Q1 In this letter Swami prescribes a simple way to keep our body healthy. Examine the extent of how much we are following these simple suggestions. How can we change our daily lifestyle for the better by incorporating Swami's guidance?

Q2 "Moderation in principle is a vice". Bhagawan is urging us to adhere to the highest principle and live a life accordingly. What are the principles that we should not compromise so that we can reach the final goal?

Keep Trying

12.11.71

at 9 AM

To Hislop

To try to meditate, to try to become quiet, to try to relax. Keep trying every positive effort that you make, is not in vain. Every single brick added to a temple made of brick brings that temple closer to completion. So keep trying and one day all of a sudden you will pierce the lower realms of your mind and enter into contemplation and you will be able to say: “yes, I know. I have seen. Now I know fully the path that I am on.” Keep trying. You have to start somewhere. The self you can not speak of, you can only try to think about it, if you care to, in one way: feel your mind, body, and emotions, and know.

# *Renunciation is the power*

Raja! Accept my love and Blessings.

I received your sweet letter. How are you Raja?

Be happy. Don't worry. SAI is always with you.

Renunciation is the power of battling against evil forces and holding the mind in check. It is Truth and Truth alone that is one's real friend, relative, self (Atma). Abide by truth, tread the path righteousness and not an hair of your body will ever be injured.

You are not to be perfect. You are that already. Nature is like that screen which is hiding the reality beyond. Every good thought that you think or act upon is simply tearing the veil as it were and the purity, the infinity, the God, behind manifests itself more and more.

Raja! Once you come, must come to summer class at May (20.5.78) to 20.6.78

Constantly Practice the Remembrance of Him

My Dears! What is primarily needed for one who wants to ultimately surrender himself entirely to the Lord is a consciousness of perfect security under the protecting grace of the Supreme Lord. This consciousness can never leave us if we constantly practice the remembrance of Him. Verily, remembrance itself is Darshan. The repetition of GOD's name must lead to dedication of all actions to Him. This remembrance will be yours even when you are intellectually and physically active in all the walks of life when you consider that those activities are performed in the name and for the sake of the Lord. During your off moments do not fail to keep your thoughts engaged in the contemplation of GOD; and at the same time meditate upon the truth that all your physical and mental powers have their source and inspiration from the cosmic energy of the Divine.

Q1 Swami says, "What is primarily needed for one who wants to ultimately surrender himself entirely to the Lord is a consciousness of perfect security under the protecting grace of the Supreme Lord". Hence it implies that when we are riddled with doubt, insecurity, fear, anxiety, and other emotions it shows that we have not surrendered. How can we stay In the state of surrender at all times?

Q2 Swami reminds us to repeat God's name especially when we are experiencing 'off moments' but it is in these moments that we often fail to remember this simple advice. What steps can we take to ensure that we remember God, especially when we are experiencing these 'off moments'?
