Hosted by the Sathya Sai Baba Center of Dallas

Dear Guests & Families,

It is a privilege to cordially invite you to the SAI Community Festival.

Objective of this event is to express gratitude to our first responders who strive to make community safe and enjoyable,
Risking their own lives every day!

They do so with love and focus on three core tenets:

Service (Action) – Awareness (Inspiration) – Integrity (Unity)

During the Festival, we plan to provide a token of appreciation to local community heroes.

We would be honored to have you at this event. Additional details are below.

- Mr. Manny Mistry
President, Sathya Sai Baba Center of Dallas

ABOUT SAI EVENTS

SAI Events connect like-minded individuals and groups who seek to uplift their communities, through three core tenets:

- **Service** - developing action plans that reflect our highest expression of love and commitment towards society.
- **Awareness** - our collective responsibilities and the imperative of individual transformation towards excellence.
- **Integration** - unifying of our efforts towards developing an ideal community.

SAI Events bring together leaders from across the community, including the arts, business, education, faith-based, foundations, government, healthcare, and non-profits.

About Sathya Sai International Organization

Inspired by the revered spiritual teacher Sathya Sai Baba (1926 - 2011), the Sathya Sai International Organization (SSIO) spreads his universal message of pure love and selfless service through nearly 2,000 Sathya Sai Centers in 120 countries outside of India. Members of these Centers are united by a common bond of love for God, the goals of selfless service and self-realization through transformation of the heart, and practice of universal human values (Truth, Right Conduct, Peace, Love and Nonviolence).

Typical Center activities include study of the teachings of Sathya Sai Baba and the sacred literature of all religions, group devotional singing, meditation, education in human values, and selfless service to the needy with love and compassion.

*If there is righteousness in the heart,
there will be beauty in the character.
If there is beauty in the character,
there will be harmony in the home.
If there is harmony in the home,
there will be order in the nation.
When there is order in the nation,
there will be peace in the world.*
