

SSSILP 2021 Enrolment and Programme Plan

Vision

To inspire and train a generation of leaders to take Sri Sathya Sai Baba's message forward by first understanding and practicing His teachings, and then taking up active leadership roles in the Sri Sathya Sai International Organisation (SSSIO).

Purpose

- Facilitating the process of self-transformation by equipping the Young Adults (YAs) with practical leadership insights.
- To provide a platform for the SSSILP committee members to dive deeper in Sri Sathya Sai Baba's teaching and to reflect on their leadership journey towards self-transformation.
- To create ideal leaders globally based on leadership teachings of Sri Sathya Sai Baba.

Objectives of the programme

The SSSILP provides standardised leadership training to Sai Young Adults from all over the world, based on Sri Sathya Sai Baba's teachings. It consists of nine modules. The modules cover the foundations for leadership in the SSSIO, starting with the life and teachings of Sri Sathya Sai Baba; an overview of the SSSIO; and the structure and function of the different wings of the SSSIO.

Other modules focus on fundamentals of spirituality as it relates to leadership, based on Sri Sathya Sai Baba's *Mahavakya* (great instruction), "To Be, To Do, and To Tell". As part of the training, Sai Young Adults are also equipped with other key skill sets, such as loving and effective communication, practicing unity in diversity, project management, self-transformation and meeting the various challenges faced by Sai Young Adults, while nurturing the next generation of leaders.

2021 Programme

The SSSILP comprises of nine modules. Six modules will commence in January 2021 and will be delivered online. All the nine modules will be delivered in English, Spanish and Russian. For the success completion of the programme and to graduate it is mandatory to attend all the nine modules.

Due to Covid travel restrictions and safety guidelines, the Residential Course and Graduation Ceremony will be conducted online as per the plan provided below.
