

"Any use of the elements over and above legitimate bounds is a sacrilege. So too, each element must be used under some limitations, not as and how you like. Treat the elements as a vesture of the almighty."

– Sathya Sai Baba (SSS 8.10: March 11, 1968)

MOBILE PHONE RECYCLING

A Global 'Serve the Planet' Project of the SSIO

A heart-to-heart offering to mark the auspicious occasion of
Sathya Sai Baba's 95th Year of Advent in 2020

Recycling of electronic waste (e-waste) specifically mobile phones to:

- Divert e-waste away from landfills
- Recover materials used in mobile phones
- Save energy and conserve natural resources when manufacturing phones in the future

PROJECT OUTLINE:

- Recycling of mobile phones and its accessories, and cordless phones in any working condition
- SSIO members to collect phones from their families, friends and neighbours
- Collected phones will be recycled at a legal and professional recycling facility in Germany

WHERE & WHEN TO DROP COLLECTED PHONES:

Your local Sai Centre or Group between **now and 31st December 2018**
